The Preamble

Azim Premji University, Bangalore, is a not-for-profit, private, autonomous institution established under the Azim Premji University Act of 2010 enacted by the Karnataka Legislature. The university's vision is to contribute to the realization of a **just, equitable, humane, and sustainable society**. Its fundamental objective is to prepare reflective and critical practitioners who can bring their educational experience at the University to practice on the ground — with competence, integrity, and most of all, social commitment.

Aligned with the university's vision, students are encouraged to get actively involved in university functioning to build a collaborative community on campus. It is believed that such active involvement will contribute to students' personal development as well as contribute to a creative and inclusive campus community.

To actualise the students' participation in building an inclusive campus life, the Students' Council (SC) will be established to serve as the apex representative body of the General Student Body (GSB) of Azim Premji University, Bangalore. The SC and GSB will actively engage with the university members and students aligning with the university's vision and mission.

The SC's role is envisaged to be a constructive body that builds trust, cultivates well being, and fosters a culture of care among all the stakeholders of the University. It is envisaged that the SC shall strive to work together with different functions and committees of the University through constant dialogue and consensus-building.

This Constitution of the Students' Council will be in operation from June 2024. The SC assumes the trusteeship of the fundamental values enshrined in this constitution and the responsibilities that come with it.

PART – I: ROLES, RESPONSIBILITIES AND FUNCTIONS

ARTICLE 1: General Student Body and Students' Council

- a. The General Student Body (hereinafter GSB) shall include all students registered in any full-time program offered by Azim Premji University, Bangalore.
- b. The Student Council (hereinafter SC) shall act as a representative body for students and is responsible for student governance and therefore, will act as the interface between the students and the rest of the University. It shall seek to represent the GSB and keep it duly informed about its interactions with the University.
- c. The Students' Council shall comprise elected student representatives participating in various Committees of the University as listed in the annexure of this constitution. The SC shall be a horizontal working group without the hierarchical offices such as of a President, Secretary, and other positions. However, one member of the student council shall be nominated as the point of contact for finances in case any budgets need to be managed by the student council.
- d. All members of SC shall be part of at least one University committee listed in the annexure of this constitution. Such student representatives shall play an active role in committee activities as deemed by the committee convenor who will be a university member.
- e. SC and individual members shall not engage in corruption, nepotism, regionalism, or any negative discriminatory acts against any group, individual, or community.
- f. The SC shall maintain a continuous dialogic relationship with the GSB to fully perform its representative role. Its members shall apprise the GSB of issues pertaining to the collective interest of the body of students and shall attempt to represent consensus formed in the GSB.
- g. The SC shall call a General Body Meeting (GBM) at least once a semester. The dates for this meeting shall be announced at least fourteen days in advance. The SC shall make every effort to ensure that a significant number (at least 25%) of GSB members attend each GBM.
- h. In addition, the SC shall call a UG/PG Body Meeting (UGBM/PGBM), one each for Undergraduate and Postgraduate programs, at least once per semester. The dates for these meetings shall be announced at least seven days in advance. In case of

emergency need, depending on the nature of situations that arise, this notice period may be shorter.

- i. The purpose of GBMs and UG/PG meetings shall be to encourage healthy discussions among the GSB, and to keep the GSB informed on all pertinent matters of the University. Before the start of the meeting, one SC member shall take responsibility for noting all the issues, suggestions, and concerns raised by the GSB, as well as a possible course of action, for deliberation in upcoming SC meetings. The minutes of these meetings will be shared with the entire student body to ensure transparency.
- j. It is expected that all students actively participate in the above meetings. Such meetings shall, as much as possible, be scheduled in accordance with the time slots provided by the University for this purpose, to avoid any clashes with other events. In addition, each student is expected to care for their peers, by listening, supporting, and helping each other.
- k. All members of the SC shall keep track of the task items pertaining to their respective Committees and keep the SC as well as the GSB informed with updates in the meetings of the SC, and agendas and task items will be specified in an email to the GSB as part of the meeting minutes.
- l. The SC is expected to continue its normal duties as referred to above even after certain members leave the campus for mandatory academic program-related field practice. Those SC members who are away shall make every effort to take part in the internal processes of SC through online communications, to allow them to proceed without delay.

ARTICLE 2: Role of the University

- a. The Vice Chancellor of Azim Premji University, Bangalore shall assume the role of Chief Patron, while the F shall hold the position of Chief Advisor for the Students' Council.
- b. The convenor of student affairs will act as the student council coordinator and will be the first point of contact for student council members as well as GSB members in matters related to functioning of the Student Council.
- c. The University, through its Student Affairs Function, will play a facilitating role in ensuring the Student Council's effective functioning and enabling the participation of the GSB.

- d. The composition of University bodies and policies applicable for students will be maintained on the Registrar's Office website, for easy access for all members of the GBM and SC.
- e. The University may extend invitations to the Student Council members to participate in meetings of various university-level bodies. However, these invitations shall be subject to the discretion of the relevant body and the Registrar.
- f. The University may allocate specific time slots within the academic calendar to enable student engagement in diverse activities connected with the Student Council. These activities shall encompass, but not be limited to, SC, GSB, UG/PG meetings, elections, by-elections, consultations, and other events.
- g. The University possesses the prerogative to attend events pertaining to the Student Council, including but not limited to SC, GSB, UG/PG meetings, elections, by-elections, consultations, and other events.
- h. The University retains the right to withhold permission for any activity that is deemed incompatible with Indian law and/or the values or policies of the University.
- i. In the event of violations of university values, extant policies and/or Indian Law the Vice Chancellor possesses the final authority to dissolve the Student Council or remove any member from the committees. This action shall be based on the recommendations of an inquiry body established by the Vice Chancellor specifically for this purpose.
- j. In exceptional circumstances, as determined by the Vice Chancellor, the university has the authority to nullify this student constitution.
- k. Any matter not explicitly covered under this constitution shall be subject to the final authority of the Vice Chancellor.

ARTICLE 3: Functioning of Students' Council

- a. The members of the SC shall convene the SC meetings and the GSB meetings by taking turns. The Convener role is not a permanent position in the SC. No SC member shall convene SC and/or GSB meetings more than two times in any single tenure of the SC. In every meeting, it must be decided who will be convening the next meeting.
- b. Not more than 30 calendar days shall elapse between any two SC meetings during the semester. In case the semester break for any program starts earlier, the students

present on campus shall be considered for calculating the quorum. SC members shall share updates from each Committee with the other members of the SC during a SC meeting. Attendance and minutes of meetings shall be recorded and shared with GSB.

- c. The onus of calling an SC meeting will lie upon the member who is going to convene the meeting of the Council. They shall notify meetings and shall remain responsible for the minutes of the meetings.
- d. All members of the SC shall attend all SC meetings. If unforeseen circumstances prevent a SC member from attending a meeting of the SC, prior written intimation of such absence would be required to be communicated to the convener. In the event of the absence of a member of the SC in more than three consecutive meetings of the SC, such member would be required to furnish a written explanation to the SC for such absence.
- e. In the event of the absence of a member of the SC in more than three consecutive meetings of the SC, without any prior information, the Council can collectively decide on the termination of membership of the concerned member through the voting process.
- f. For any vote to be considered valid, a quorum must be present at a duly convened SC meeting. A quorum shall be defined as 2/3rd of all members of the SC. If any number of members present at the meeting wishes to abstain from voting on a particular issue, the SC shall count such a member as present to determine the quorum.
- g. A General Motion of the Students' Council shall be passed if a vote is taking place at a duly convened SC meeting, and more than half of the voting members support the motion.
- h. Feedback shall be invited, in a manner to be determined by the SC, from the GSB on the functioning of the Council and its members in February of a given year, but no later than March of that very election year. Any such feedback shall be discussed in detail in its meeting/s and the minutes of this meeting should be recorded in writing. The members of the SC shall endeavour to positively address issues arising from any such feedback.

PART – II: STRUCTURE

ARTICLE 4: Committees and Clubs

- a. The committees and clubs are the formally recognised student campus life governance bodies of the university. These bodies will have to provide annual plans, budgets as well as the annual review reports to concerned offices as identified by the Registrar.
- b. The Registrar of the university shall include or exclude committees in this constitution and is responsible for nominating university members to the said committees listed in the annexure of this document.
- c. The Registrar while constituting the Election Cell (EC) shall notify the details of the university committees for which student elections need to be conducted to elect the representatives. The notified committees and the details of composition will be inserted into the annexure.
- d. Elected student representatives shall work for and represent the general student body in committee discussions and work impartially, regardless of school, program, batch, etc.
- e. Each committee will undertake the responsibility of clearly defining the scope of the work and the specific responsibilities that student representatives can take up in the functioning of the respective committees. The details of the same are included in the Annexure.
- f. All SC members shall report on the activities of their respective committees at each SC meeting. The convener shall invite other SC members to comment on any issues raised by such reports and foster open dialogue. Issues which are connected to more than one committee's scope of work, shall be added to the agenda of the following SC meeting for further discussion. The content of such reports and any following discussion shall be included in the official meeting minutes, to be shared with the GSB.
- g. All SC members shall create a report at the end of their term, summing up their experience in SC and their respective University committees. All reports shall be presented to the GSB within a month of the end of their tenure.
- h. The outgoing student members of each committee shall in consultation with the other members of the committee put together a document orienting new members

of that committee regarding their roles and responsibilities and the functioning of the said committee in the previous election year.

- i. In case any university committees require additional volunteers (eg. for annual events), the Student Council shall mobilize student volunteers. These volunteers will not automatically become part of the SC and will be considered as volunteers and will work to support the specific university committee as needed.
- j. Azim Premji University has several Student Clubs that represent the diverse interests of the students. All members of the GSB are eligible for membership in these clubs.
- k. The convenor of the Student Affairs Committee shall have the authority to include or exclude clubs. The Student Clubs shall receive support from the Student Affairs.
- l. The Student Affairs Committee is responsible for creating guidelines for clubs' creation and management in consultation with relevant stakeholders.
- m. The funding for clubs shall adhere to the guidelines notified by student affairs. The University reserves the right to adjust club budgets as it sees fit.
- n. Each club recognized by the Student Affairs shall have a university member serving as the advisor, a designated point of contact for communication, and a designated point of contact for financial matters.

PART – III: THE FORMATION PROCESS

ARTICLE 5: Elections, The Election Process

- a. The university shall conduct an election for the positions of student representatives in various committees as listed in the annexure.
- b. The Registrar shall constitute the Election Cell (EC) within two weeks of the start of the academic year, across all programmes. The EC will be responsible for managing the election process. The EC shall comprise of:
 - i. non-student members of the Student Affairs team.
 - ii. At least five students (at least 1 UG and 1 PG student) who are not part of the present student council.
 - iii. Any other members of the university
- c. The Election Cell may seek help from additional student volunteers to conduct elections.
- d. Students serving on the EC shall not be eligible to run for any representative

positions in that given year.

- e. The Election Cell shall ensure that all students can engage in the campaigning and election processes to the extent they desire, regardless of their identity, background, spoken languages, abilities, or any other factors. The Election Cell shall seek the support of the Diversity and Inclusion committee to achieve this aim.
- f. The Election Cell shall promulgate an Election Notification including rules governing campaigning and other election-related activities. Each student wishing to run for elections must read and comply with the Election Notification. The notification shall include dates for filling forms for the election, dates for withdrawal of the same, dates for scrutiny of filled forms, date of election, and declaration of the result.
- g. One university member of the Student Affairs nominated to conduct elections would be the Chair of the EC. They shall notify meetings and shall remain responsible for the minutes of the meetings.
- h. The EC shall decide on a code to make the election process free and fair.
- i. The EC shall also decide the procedure whereby the election process is completed without disturbing teaching, and learning (except during the timeslot designated for election), defacing the walls, and jeopardizing the peace on the campus.
- j. The Election notification shall include the following information:
 - i. Committee details and the number of positions up for election in the given year, with the respective voting group details, if applicable.
 - ii. Plans for ensuring broad participation of students, from all sections, in the voting process.
 - iii. An exhaustive list of appropriate platforms, media, and formats through which candidates are allowed to share their ideas, visions, or agendas for the relevant committee and the Students' Council.
 - iv. Provisions for access to and inclusion in the campaigning and election process of all students, regardless of language, background, ability, etc.
 - v. Limits and rules for campaigning to ensure fairness, respect for all candidates, and avoiding disturbance to campus learning environment or campus property. These rules will be in addition to the General Code of Conduct.
 - vi. A copy of the nomination form
- k. In case any information furnished in the candidate nomination forms is incorrect or any practice of the candidate/proposer/seconded / official representative(s) of the

candidate is in contravention of the election notification or University code of conduct, the candidate's nomination shall automatically stand cancelled/declared null and void. The decision on this will be made by the Election Cell.

- l. If a formal complaint of sexual harassment, negative discrimination, ragging, or financial mismanagement is submitted against one or more candidates to the relevant University authority before the election notification date, the candidate or candidates shall be automatically disqualified to contest in that year's elections.
- m. The candidate who obtains the highest share of votes cast for the position shall represent the students in the Student Council.
- n. If there is only a single candidate for a given post, they shall be declared elected without a contested vote.
- o. In case of a tie for any position, the Election Cell will pick the candidate through a lottery.
- p. An individual student can only contest in the election for one position on the Students' Council in a given year.
- q. Former members of the student council are eligible to contest for a student council position subject to point r.
- r. No student shall be eligible to contest for any SC position more than twice.

ARTICLE 6: Tenure

- a. The tenure of the Students' Council shall be one academic year, as notified by the Registrar depending on the start and end dates of the programmes. Elections to the Students' Council shall be conducted within six weeks of the Election Cell (EC) being constituted, unless in case of exceptional circumstances.
- b. In addition to the provisions made in Article 2, SC can be dissolved by Council members if the dissolution motion is supported by at least two-thirds of members voting in the meeting at that point in time. SC can be dissolved by council members only for the following reasons, When:
 - i. Tenure lapses
 - ii. The entire SC has been unable to meet for more than three months.
 - iii. When the entire SC as a body commits an unlawful act
 - iv. When all members are disqualified under disciplinary action
- c. If SC is dissolved within 3 months, then a re-election will be conducted. If it is

dissolved after three months, then an interim body will be constituted by the Chief Advisor. This will be constituted from those who stood in the election, who were not elected but got the second highest vote.

- d. Students who are under investigation, stand accused, or guilty on account of issues related to sexual harassment, ragging, financial impropriety regarding the budget of the committee of the specific member, or any negative discriminatory acts against any group, individual or community shall be automatically removed from SC by the Registrar.
- e. Former SC members currently enrolled in the programme shall facilitate a smooth transition and familiarise the newly elected representatives with the issues pertaining to their office and the functioning of the SC. The new SC may invite the erstwhile members of the SC to participate in relevant discussions. However, the erstwhile members of the SC shall have no voting rights.

ARTICLE 7: Resignation and By-election

- a. If any elected council member wishes to resign from their post for any reason whatsoever, they must put in their resignation in writing to the Convener of Student Affairs as well as to the Convener or Faculty mentor of their committee. Specific reasons must be stated in the resignation letter.
- b. The Convener of the relevant committee in consultation with members of that committee as well as the Convener of the Student Affairs shall take the final decision in this regard.
- c. The Students' Council shall request the Convenor of Student Affairs to hold by elections if a given post falls vacant by December of any given year. If a given post falls vacant on or after January, the post shall remain vacant. By-elections held in such circumstances shall follow the election code promulgated by the last EC.

ARTICLE 8: No Confidence Motion and Disqualification

- a. A motion of No Confidence can be brought against any member of the SC if they are found to violate the code of conduct, exhibit gross negligence of duties, violate attendance policies as stated above, or engage in malfeasance of any kind.
- b. A No Confidence motion against any SC member may be proposed by at least

one-tenth of the members of the General Student Body (GSB) or half of the SC members.

- c. A No Confidence motion will be discussed and voted on during a duly convened SC meeting. The No-confidence motion will pass if two-thirds of the SC members vote in support of it.
- d. A No Confidence notice must be given seven days in advance to the Convener of Student Affairs. The member(s) initiating the process must submit a brief report explicitly stating the wrongful actions of the SC member in question. The Convenor of Student Affairs shall verify the merits of the report and forward it to the Student Council Members for discussion and voting.
- e. The SC member facing the No Confidence motion has the right to present their case in their defence before the SC. They can also be present in Council meetings until the No Confidence motion is passed.
- f. If any elected student council member is found violating existing university policies, Indian law, or engaging in malfeasance, they will be disqualified immediately by the Vice Chancellor. The recommendation for disqualification can come from the Student Affairs Committee or the University committee on which the said member serves and/or Registrar. In such cases, the by-election process will be initiated according to the established rules.

PART – IV: AMENDMENTS

ARTICLE 9: Amending the Constitution

- a. To propose any amendments to the Constitution, least one-tenth of the members of the General Student Body (GSB) or half of the SC members shall submit a written proposal to the convener of the next SC meeting. The said proposal shall specify the shortcomings of the current Constitution and the outcomes sought by amending it. In addition, an amendment proposal may suggest new language for the Constitution.
- b. Any amendment shall first be tabled for discussion in a meeting of the Student Council with representation from all committees.
- c. Draft amendments shall be shared with the GSB at least 15 days in advance, and suggestions will be collected before they are considered for voting.
- d. The proposed amendment(s) to the Constitution shall be deemed passed in the SC if supported by at least two-thirds of SC members present and voting. The convener of the meeting shall invite those who do not wish to vote to leave the room after debating on the motion, and before counting for quorum and voting.
- e. The passed amendments shall then be forwarded for final ratification by the Registrar and/or the Vice-Chancellor.
- f. The amended Constitution shall then be adopted in consultation with the GSB before it comes into effect.
- g. All amendments to this Constitution shall be carried out and adopted in the manner described above.
- h. No amendments to this Constitution shall contravene the values articulated in the Preamble.
- i. No amendment to this Constitution shall violate any guidelines or rules established by the University. This Constitution does not vest any power in the SC to amend or alter any other university guidelines.
- j. Insertions/Deletions to the Annexure are not considered amendments and can be made by Student Council Members or committee convenors with the consent of the Registrar.

PART – V: ANNEXURES

ANNEXURE A: Committees and Details

1. Program Office Committee (POC)

Composition: University Members + 1 UG representative + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

The elected student representatives, along with the University members of this Committee, shall work alongside the Program Coordinators and Program Office to:

- a. Meet with respective Programme Coordinators at least once a semester to discuss issues faced by students and coordinate with the program office to resolve them.
- b. Coordinate activities to support all students' well-being, learning, and overall development.
- c. Facilitate the organization of relevant academic events, workshops, and supplementary sessions, based on the needs and interests of the student body.
- d. Participate in program-level meetings convened by the Program Office once per semester.
- e. Additionally, student representatives on the program office committee shall collaborate with library members and faculty to ensure the library serves the needs of students.

2. Placement Committee

Composition: University Members + 1 UG representative + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. Student representatives of the placement committee work with the university members to create long-term and sustainable relationships with prospective recruiters.
- b. The Placement Committee is likely to be most active during the placement season albeit it needs to work throughout the year in conceptualizing placements, organising workshops for placement preparedness, support in identifying potential recruiters as per value system of the university, and any role / responsibility as planned.
- c. Representatives need to adhere to Placement Cell norms and guidelines to mobilise larger student mass, work along with volunteers, to contribute and deliver its planned milestones.

3. Diversity and Inclusion Committee (DIC)

Composition: University Members + 1 UG representative + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. There shall be a Diversity and Inclusion Committee working towards making the University more inclusive to all, including but not limited to people with disabilities, neurodivergent people, women and gender minorities, and people from different socio-cultural identities like speaking different languages.
- b. This committee shall conduct sensitizing and other awareness activities along with students.
- c. Additional subcommittees may be formed by the Diversity and Inclusion Committee based on the identified needs of the University. These subcommittees shall include student volunteers and university members.

4. Arts and Culture Committee (ACC)

Composition: University Members + 1 UG representative + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. The Arts and Culture Committee aims to use creative expression to build understanding, connection, collaboration, and growth building respect and belonging for all.
- b. The Arts and Culture Committee will use diverse Art forms and its modalities as tools for expression, dialogue, and communication among students, creating inclusive spaces for all.
- c. Connecting with students, identifying their needs, ideating, initiating, and facilitating engagement with students will be crucial roles and responsibilities of elected student representatives.

5. Health and Wellness Committee (HWC)

Composition: University Members + 1 UG representative + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. Assisting students with any health/medical-related difficulties by facilitating access to medical services or counselling available at the University.
- b. Collaborating with the Medical team to ensure the availability of essential medical supplies. Additionally, organizing medical check-ups and first aid training for the student body.
- c. This committee shall conduct sensitizing and other awareness activities

along with students.

- d. Collaborating with the Conversations Team to facilitate easy access to mental health support services for students, recognizing the importance of addressing mental health concerns within the student community.

6. Sports and Fitness Committee (SFC)

Composition: University Members + 1 UG representatives + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. The Sports and Fitness Committee is a body that looks after and works towards the development and promotion of sports on the campus while building a sporting culture that is inclusive to all. The larger goal of this committee is to create a strong community engagement in the field, thus bridging various gaps that exist amongst peers and peer groups on campus.
- b. The SFC looks after the day-to-day sporting activities, and coordinates various sporting events on campus, facilitates and conducts workshops for various skill-level athletes, and promotes and motivates students and members to participate in various sports. The SFC comprises Faculty members, sports consultants, sports interns, and nominated student coordinators from various sports and external coaches.
- c. Student Representatives have different roles and responsibilities based on the sports they are involved in.

7. Food Committee (FC)

Composition: University Members + 1 UG representatives + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate

representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. Participating in weekly menu meetings alongside the Vendor, F&B Team, Nutritionist, and Student Affairs to consider menu changes within available resources, aiming to maximize nutrition and include a diversity of tastes.
- b. Facilitating the use of food apps, conducting surveys, and organizing other activities to gather feedback from the student body. Establishing a process ensures that all feedback is duly responded to and resolved.
- c. Ensuring that the food services available on campus are suitable and affordable for all students and non-students residing, visiting, or working on campus.
- d. Creating awareness about the cleanliness of the dining area/cafeteria and implementing measures to reduce food wastage.

8. Residence Management Committee (RMC)

Composition: University Members + 1 UG representatives + 1 PG representative

Election Process: Undergraduate GSB members staying in the residences will vote for the undergraduate representatives, while postgraduate GSB members staying in the residences will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. This Committee shall provide necessary support to all students living in student residences so that they build a cooperative and caring community that leads a safe and meaningful life at the University.
- b. The SRC may form subcommittees which will help the smooth functioning of SRC in each section of the residents. They shall consider specific physical conditions and needs specific to each section of the hostel.
- c. The student members of the SRC shall meet regularly to discuss concerns or any updates regarding student accommodation and work towards resolving

them. The Student Accommodation Guideline shall take primacy in all issues of residence. The SRC has the primary responsibility of ensuring adherence to the Accommodation.

9. Sustainability Committee (SC)

Composition: University Members + 1 UG representatives + 1 PG representative

Election Process: Undergraduate GSB members will vote for the undergraduate representatives, while postgraduate GSB members will vote for the postgraduate representatives.

Student Representatives' Scope of Work:

- a. The committee will collaborate closely with all other committees to ensure that planned activities adhere to sustainability principles.
- b. The student representatives will contribute to assessing the current sustainability practices within the University and aid in the development of an annual report.
- c. Support the Student Affairs team and other entities in organizing events sustainably. The Committee will conduct research and propose economically, environmentally, and socially sustainable suggestions.
- d. Assist in various activities of the Sustainability Committee and the Community Engagement Cell to educate students and promote sustainability within local communities.

10. Student Affairs Committee (SAC)

Composition: University Members + 1 UG Student Council Member + 1 PG Student Council Member

Student Representatives' Scope of Work:

- a. As members of the Student Affairs Committee (SAC), student representatives' role is to contribute to building and sustaining a decentralized federated structure within the General Student Body, with the Students' Council as its apex body. This structure aims to support and represent each student throughout their time at the University, fostering a culture of care among students on campus.
- b. SAC will review any cases of mismanagement of funds of the SC or any Student Representative and forward the case to relevant committees.
- c. Student representatives of SAC will redress the grievances that the General Student Body has towards the Student Council.
- d. The SAC will establish a subcommittee tasked with overseeing the functioning of the clubs mapped to it.
- e. Student Club representatives will receive support from the SAC. They will collaborate with club members to ensure their effective functioning.
- f. Acting as resource persons for clubs, the SAC will gather feedback from all clubs on relevant issues and update the club process note as needed.
- g. Responsibilities of the SAC include coordinating the establishment of student clubs, developing their annual plans, and providing resources for club events.
